**Note:** Day Meets scheduled for the Saturday may be switched to the Sunday if the weather forecast is better for the Sunday. Members will be informed at short notice.

**Unscheduled Meets:** Please note that these are the scheduled meets only. In the event of a good forecast and an empty weekend, all members are encouraged to propose additional unscheduled meets and to use the club email/website to get like-minded colleagues to join them. After all that's why we are in a club
