**Note:** Day Meets scheduled for the Tuesday may be switched to the Thursday if the weather forecast is better for the Thursday. Members will be informed at short notice.

By mid-September evenings are getting short and so scheduled meets stop about this time as we schedule the evening meets to allow working members to attend. However, there will always be opportunity for additional "Tuesday" meets pre and post season, good weather often continues into October, so members are encouraged to spot the opportunities and suggest venues and times (i.e., afternoon) to like-minded colleagues via the KMC website.
