**Note:** Meets scheduled for a Tuesday may be switched to the following Thursday if the weather is more amenable.

By mid-September evenings are getting short and so scheduled meets stop at this time as we schedule evening meets to allow working members to attend. However, there will always be opportunity for additional "Tuesday" meets pre and post season, good weather often continues into October, so members are encouraged to spot the opportunities and suggest venues and times (i.e., afternoon) to like-minded colleagues via the KMC WhatsApp groups.
